Hi Allen. How are you?

I am considering an offer to join Greenberg Taurig's Houston office and was wondering if you still use them to do your legal work and whether you have any pointers to give me. A response to this email address (not my work address) would be really appreciated if you have the time. It would also be good to catch up with you when you are in Houston some time. Tony Nunes

I don't know how often you are in Houston these days, but if you have time when you are next here I would love to buy you lunch to catch up. Please let me know if this is possible.

Kind Regards, Tony

Stairway to SUCCESS

On March 28, the SFG Advisory Board convened in Houston for its first meeting in 1994. The day-long session provided attendees with an overview of SFG and its affiliate companies, as well as the opportunity for Board members and key employees to get to know one another better. Board Chairman James Stanford, and President and CEO Allen Stanford were key speakers at the event, which was held at the Ritz-Carlton Hotel near SFG's offices in Houston's Galleria financial district. 🏢
